Actividad 3

Creando una Tabla con PHP

The screenshot shows a web browser window with a pink background. In the center, there is a light blue box with the title "Creando tabla con PHP". Below the title, the text "DULCE ALEJANDRA NUÑEZ SORIA" and "5 PV PROGRAMACION" is displayed. Below this, a table is shown with the following structure:

NOMBRE MATERIA	Parcial 1	Parcial 2	Parcial 3	Calificación Final
CONSTRUYE BASES DE DATOS	10	P	P	10
DESARROLLA APLICACIONES WEB	10	P	P	10

To the right of the browser window, a mobile app interface is visible, showing a user profile for "DULCE ALEJANDRA NUÑEZ SORIA" with the email "dulce20508@cbtis75.edu.mx". The app has a dark theme and a sidebar menu.

The screenshot shows a code editor window with a dark theme. The file explorer on the left shows a project structure with files like "ejercicio3TablaConPHP.php", "estilo3.css", and "ejercicio4EdadDeUnaPersona.php". The main editor area shows the PHP code for "ejercicio3TablaConPHP.php". The code includes HTML headers, a PHP block that echoes the user's name and PV, and a table creation logic using PHP variables and the `printf` function. The table is created using the `printf` function with the following structure:

```
<table border=1 cellspacing=0 cellpadding=0>
<tr>
<td>Nombre Materia</td>
<td>Parcial 1</td>
```

To the right of the code editor, a mobile app interface is visible, showing a user profile for "DULCE ALEJANDRA NUÑEZ SORIA" with the email "dulce20508@cbtis75.edu.mx". The app has a dark theme and a sidebar menu.
